

### Relevant Sources Chart

Directions: Answer questions 1 and 2 regarding a topic that you would like to research. Then, fill in the chart below regarding your topic. Insert the title, date, and type of source that you have found. Explain why each source is or is not relevant to your topic. Finally, rank the **most** relevant source to **least** relevant source using the last column. Use <https://www.procon.org/> if you need help thinking of topics to research. Then answer the Exit Ticket Question that follows.

1. What is a topic you would like to research? \_\_\_\_\_

2. Write out a specific question you have that you would like to find information for.
